### CLOUDCROFT WILL NOW HAVE SEWERS

Everybody Is Ready for the Chautauqua—Personal News Items.

(By Mrs. W. S. Tilton.)

Cloudcroft, N. M., Aug. 12.—Judge W. A. Hawkins, legal representative of the E. P. & S. W., met with the property owners of the Cloudcroft resort to discuss putting in a sewer system. It was unanimously voted to accept the company's offer, which was to put in the main lines of sewerage, of the very best material and septic traps, free of charge. If the property owners would consent to have every lot connect with the main sewer. A vote of thanks was tendered the company for its offer. A committee was appointed by chairman J. A. Eddy, to form a plan whereby the expense of the connections would be pro rated so that it would fall no heavier on the property owners off the main line of the sewer than those living near it.

Every one with a guilty conscience took to the woods yesterday. The Texas sheriffs came up on the noon train, 100 strong. Of course these gully ones had picnic baskets along with them and pretended they were just off for an all day in the woods.

All the committees of the Chautauqua are hard at work; the reception committee has elaborated its plans and it will not be the simple affair that was at first suggested. There will be a train committee to meet all trains and show the strangers to their rooms. The program committee is very proud of its work. The ways and means committee is finding more talent than it knows what to do with. An old fashioned spelling bee with a blue back spelling book will be one of the features.

### WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away. El Paso People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause becomes weak, languid, depressed suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is El Paso testimony to prove it.

Charles M. Wilson, 1513 Texas street, El Paso, Texas, says: "I have used Doan's Kidney Pills off and on for many years and have been given ample proof of their merit. In February, 1907, I publicly recommended Doan's Kidney Pills and at the present time I take pleasure in confirming all I then said in their favor. I began to suffer from kidney trouble over twenty years ago and during changeable weather or when I took cold, my condition was always worse. I had an acute pain in my right side and any sudden movement caused sharp twinges to dart through my body. Often I was confined to my bed for a week at a time. I finally began using Doan's Kidney Pills, procured at Kelly & Polard's drug store and they brought me prompt relief. As they have always benefited me when I have used them since then I naturally hold a high opinion of them."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.
